Dear Sirs:

We have received the decision mailed January 7, 2005 on applicants' correspondence filed on September 17, 2004 regarding the above application, which was treated as a renewed request under 37 C.F.R. § 1.497(d). The request has been dismissed without prejudice as not complying with the statute. The Examiner stated that Alan Minsk, who is signing on behalf of the assignee, does not have apparent authority because his title is Director and Patent Counsel, and this title is not presumed to be an officer that has authority to sign on behalf of the organization.

Accordingly, a Delegation of Signature Authority document is attached executed by Alan Black, Senior Vice-President and Chief Financial Officer of Openwave Systems Inc., delegating authority to sign Powers of Attorney and other patent-related documents to Alan D. Minsk, Esquire.

Applicants request that the office treat this as a second renewed request under 37 C.F.R. § 1.467(d). Applicants have complied with the requirements of the Decision on Correspondence and with 37 C.F.R. § 1.497(d). Therefore, Applicants respectfully request that the dismissal of "REQUEST FOR ADDITION OF INVENTOR" be reconsidered and that the Request be granted.

Very truly yours,

Michael J. Fogarty, III
